Forecast for Sunday 01 Aug 2021

Weather: Mainly dry with patchy cloud and occasional clear spells overnight, but the odd shower over Ben Hope and the north. A bright day with some sunny spells, the best of these expected through Knoydart and the more sheltered south. Cloud probably more extensive at times across Assynt and the north with the odd light shower possible. A chilly feel over the summits.

Chance of cloud free mountain/hill tops above 800m: 70% becoming 90% by afternoon.

Visibility: Mostly very good or excellent, but moderate or poor in morning summit cloud and showers. Occasional or extensive cloud, base mainly above the summits, but occasional 600 to 900m during the morning, particularly in the north.
